“ It is hard to believe that it has been six years since Brett's passing. Although I ran into Brett from time to time as a young adult, my friendship with Brett was while growing up in Provo. He was one of the best friends a guy could have, and was sincere. He stood up for me in school on a couple of occasions, and I remember many fun birthdays and bike rides all around Provo... back in a time when kids actually hung out together, went on adventures, and did things together outside, unstructured and carefree.

*My memories of Brett were that of a person who was sincere and accepting of anyone and everyone. I respected him greatly, and consider myself fortunate to call him my friend.*

“ *Ginger, Cheyenne and family, I'm so sorry for the loss of your brother, uncle, son and father. My thoughts and prayers are with you though this difficult time. I pray, the knowledge that "Families are Forever" and the knowledge that you will once again be with Brett give you great comfort. His picture makes me smile, in fact it makes me want to laugh. It is a very contagious smile with a little mischievousness added in. I can tell he loved life and loved his family. He is very blessed to have a wonderful family, one that loves each other with unconditional love. May your feel the love Heavenly Father has for Brett and be comforted by it. May you also feel and be comforted by the love Our Heavenly Father has for you. He is aware of the pain and sorrow you are all going through. He experienced the same pain and sorrow when is son hung on the cross for us. I pray you will also be comforted with the knowledge that Brett is happy. That he will be with you forever.*
