

## Cameron Lewis

October 11, 1985 - September 24, 2011

Our sweet Cameron Michael Lewis, entered our lives on the afternoon of October 11, 1985 with a huge heart and smile that he shared with us all until his last day. He left this earth telling his parents he loved them both before he went to sleep and passed peacefully on the morning of September 24, 2011.

Cameron is the cherished son of Ron and Debbie Lewis and the beloved brother of Tyson, Charee, Devon and Chelsey; an eternal family that is proud of his courageous fight with the deceptive disease of addiction.

Cameron loved skiing as a young child and became an accomplished snowboarder as a teenager. He had a passion for the snow and always shared that passion with the ones he loved most. He was our walking miracle after a snowboarding accident in the winter of 2002 that took his life once and left him in a coma for days. Through faith and prayers he was allowed a second chance at life for which he expressed gratitude on countless occasions.

He attended Timpview High School where he made friends easily and used his humor and big cheesy smile to make everyone laugh. His favorite school subjects were Art and German; we'll miss his funny broken German. He graduated from high school in 2004.

Cameron loved playing with his nieces and nephews and became an expert at making them laugh with his funny faces and tickle tortures. He also enjoyed riding and working on motorcycles with his brothers. Like his grandfather, he had a mechanical talent and enjoyed working on anything with an engine.

Cameron is preceded in death by his Grandpa Goings and Uncle David Lewis, who we imagine have welcomed him with open arms.

Cameron is survived by his parents Ron and Debbie; siblings: Tyson and Calli Lewis, Charee and Tanner Brown, Devon Lewis, and Chelsey and Scotty Jackson; grandparents:

Doran and Alice Lewis and Millie Goings; nieces and nephews, uncles and aunts, and cousins who love him dearly and look forward to being with him again for eternity.

Friends and family are invited to the viewing Thursday, September 29th from 6:00 – 8:00 p.m. and the funeral service to celebrate Cameron's life Friday, September 30th at 11:00 a.m. at 303 West 3700 North, Provo, UT 84604. Cameron's graveside dedication will be held directly after the funeral at East Lawn Cemetery, 4800 North East Lawn Dr., Provo, UT 84604.

We love you Cam!

“ Cam is one of the people I have missed most since moving away from Utah, and was able to get together with him on several visits back to town. I'll never forget the impact Cam had on me, his contagious smile, or his love and respect for his family and their values. May your faith be a comfort to you at this time.

“ Cameron was a dear friend of ours and will be missed dearly. Our daughter Mckenly often thought of him as a uncle and sometimes called him unk unk which always made him smile . the smiles we were able to give our beloved friend we few compared to the smiles that he shared with our family.He often spoke of family and the importance that family had his final words to Jamie were " your family now and i will always love you stay strong" Jamie and Cameron often spoke via text messages late at night as she worked graveyards at a care facility he was always encouraging and uplifting and they shared each others struggles and accomplishments . Cameron Lewis was and always will be considered to be a dear friend we love you and miss you cam . The world just seems a little less colorful without you in it.

“ Like the ripples from a pebble tossed into a pond tickle the shore, or the warmth of the sun breaking the dawn of a new day, or the radiant glow from a brilliant sunset - there are individuals amongst us whose laughter is contagious, whose hearts warm even the coldest of places, whose personalities can fill even the largest of spaces. Cameron, You are an inspiration and a treasure! You will be ever so missed, but You will never be forgotten!

“ I had not seen Cameron since you moved from our neighborhood years ago, until Don Morehouse's services. I kept looking at him, knowing I knew him but not placing him at first. He approached me saying, "You don't remember me do you?" Instantly floods of Cameron memories came rushing in as he smiled his Cameron smile. "I didn't recognize you at first," I commented, "but I could never forget you!"

*I know that God has a plan. Sweet Cameron is an important part of that plan. Forever families are a part of His plan.*

*My deepest sympathy is with your family. Some days will be harder then others, hold tight to the good memories and the knowledge you have.*

*Cameron could never be forgotten!!*

*With Love, Michelle Olsen*
