Comments

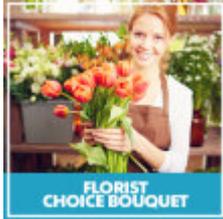

“ Cassie was always so kind to me. She was always a good friend. She is very smart and talented. She has a good sense of humor and was always fun to be around. I admired her kindness to everyone, despite everyone's shortcomings, she always saw the best in people. I loved having her in my study groups and spending time having fun. She is just a great person through and through. I'm grateful I was able to know and learn from her.

With love,
Kathryn Olesen
