“ When Uncle Doug would visit my dad, his brother Bucky, they would play cowboy. They would dress up in western garb with their guns and holsters. They would find an abandoned shack in the desert and take pictures. I thought they always had so much fun.

“ My sincere condolences to his family. Doug was a very wonderful man as a child I remember caring for his Lil boys. He always had a way to put a smile on your face. He loved his family and the Lord. Another thing I recall is that he was near and dear to his Mother and I seen the love he had for her. I hope and pray that we keep his family in our thoughts and prayers now and in the days to come. You will be missed.Uncle! Till we meet again
