“ Dell, Sorry to hear about JoAnn. She was one of my best friends and we spent a lot of time together in high school and college. I remember November 1953 when you were married and I was her maid of honor. Many fond memories and she will always be in my heart! Our love and deepest sympathy! Reed and Barbara Swenson Burke

“ The world lost an angel with the passing of JoAnn. We met at the Orem Rec Center over ten years ago & became good friends, spending many hours together walking in the pool. JoAnn supported me in my weight loss efforts, saw me through a surgery, listened to me, shared stories and advice, helped me cope with chronic illness, and gifted me with a Nativity that will be a family heirloom - the most valued thing she gave to me was her friendship. I called her when she couldn't come to the pool, and then when I moved away. After awhile she wasn't sure who I was anymore. I have been missing her for over nine years now and I know it's just beginning for you, her family. I wish you the peace and love I know she would want you to experience now. She loved you all so very much! - Debbie Coy-Berg

“ Friends asked about JoAnn at the 68th class reunion on Saturday in Spanish Fork. It was a shock to see the burial notice today.

There are so many memories of being with JoAnn as we grew up at a wonderful time in a wonderful place. I was fortunate that our friendship continued on into our BYU days.

JoAnn has, as long as I can remember, been deeply in love with Dell Tyler. Thank you, Dell, for giving JoAnn such loving care through the years. JoAnn's friends loved her and enjoyed her wit and loyalty.

I send my love to Dell and JoAnn's family.
