“ We got to meet Nadine later on in her life, at the assisted living home. We met her last year in th Summer and got to know her quickly as the lady who loved cats, just like my daughter. They shared a cat love together and Nadine would wear her cat shirt when she knew we were coming and my daughter would wear her cat dress, when she knew we'd see Nadine.

We will miss her and her smile and stories and coming to her room for visits.

I know she's much more comfortable now and we are happy to have met such a sweet friend. I still haven't been able to tell my kids about her passing because I know it will

Be hard for them. She'll always hold a dear place in our hearts. Here is a picture of her with my daughter :)
