“ momma I am so sorry that i was never good enough and could never do anything right, you always told me the only thing i was good for was having babies. i wish i would have known how to be a better daughter and been able to do with your remains as you wanted, but as usual i failed.

“ Rheta, my heart is with your family right now, in the sorrow and pain that comes with grief, and I will continue to keep them in prayer. Your friends too. Jesus, give them the hope that is like a sky full of stars-whether we see them or not doesn't change the fact that they are always there. Truly, it is not until the night is at its very darkest...that we see them the most clearly. Wait a go Rheta-your at home now! Halealluia! May the heavens open and rain down the blessings each person that has lost you, You know what each needs. God Bless

“ G MA

I would give anything to see you one more time. I love you! And I wont forget you!
You meant everything to me

I loved you then, I love you now, I'll love you forever. For me there are no good byes.
every day my heart breaks a little more, tears gather at just the mention of your name. I will never forget the love and comfort you gave me in times of need.

God Took you away to ease your pain, yet he left me crying .. but now the right thing to do is think about all the great memories I had with you:: and someday we will be together again making our dolls. xoxco

Love your loving GRAND DAUGHTER
