“ Shane was my best friend in the army, we hung out all the time. Many memories of me and him. Just heard about his passing. And it makes me feel real sad. It hurts. God bless the family.

“ Just heard the sad news and I'm so sorry to hear of Shane's passing. Although I didn't see much of him at work, since he was always either upstairs building panels or out in the field doing installations and solving problems, he was always such a pleasure to work with. So kind and thoughtful... My thoughts and prayers are with his family at this time of sorrow...

“ So sorry to learn of Shane's passing. His work with the Customer Support department at Doppelmayer was greatly appreciated and he worked hard to resolve open issues for us.

I wish his family peace in this difficult time while dealing with a life too short.

With sadness,
Gary Mayo
