

Virginia Mae Naugle

March 11, 1924 - December 25, 2016

Our beloved mother, grandmother and great-grandmother was reunited with our Dad on Christmas Day, at Stonehenge Care Facility in American Fork, Utah. Mom was born March 11, 1924 in Larned, Kansas to Orion Cleo and Gladys Stephenson. Mom was the oldest of 5 children, all of whom preceded her in death.

Mom was serving as a home service missionary for The Church of Jesus Christ of Latter-day Saints when she met Dad. Mom and Dad married April 30, 1944 in Kansas and were sealed together in the Salt Lake Temple on November 14, 1945. They moved to Orem, Utah in 1964.

Mom was a devoted wife and mother and a very hard worker. She was dedicated to her genealogy. She loved to garden, as was evident by her vegetable and flower gardens. She loved good books up to the time she could no longer read. All of her children and grandchildren have benefitted from her sewing skills, including quilts for all and wedding dresses for her daughters Karen and Rhonda.

She is survived by her children, Judith Mae (Bill) of California; Kathryn (David) of West Jordan; Stephen (Pam) of Pleasant Grove; Karen (Terry) of Orem; Rhonda (Stephen) of Orem; 27 grandchildren and 42 great-grandchildren. She was preceded in death by a son, Phillip Elmes and 4 grandsons: Jared Bethers, Timothy Parker, Matthew Keck and Matthew Bartholomew.

Mom will be greatly missed.

Funeral services will be held at 11:00 a.m., Friday, December 30, 2016 at the Sharon Park 5th Ward Chapel, 225 East 200 North, Orem, Utah. Friends may call from 10-10:45 a.m. prior to services. Interment, Orem City Cemetery. Condolences may be expressed at www.bergmortuary.com.

“ Well sweetie, you got your Christmas wish to be with Wendell this Christmas. Your and my prayers were answered. I'm so very, sincerely happy Virginia that you are finally back with Wendell where you belong. I'm grateful that I have had the privilege to visit you each and every week through all these years up to and including this Christmas Day. I stood at your bed side and wished you a Merry Christmas and told you how much I dearly love you....and that's what you had....a very Merry Christmas. I'm sure that my mom and dad were there along with Wendell to welcome you through the veil.....Mom and Dad and so many others of our family were your life long Friends on earth, and friends now for ever. Dad had the privilege to bring you and Wendell both into the church, to perform your marriage and have Wendell as his counselor in the Branch Presidency for all those years when we lived in Larned.

I'm so glad that Steven called me tonight to give me the good news that you got your wish, that you and I had discussed, "to be with Wendell by Christmas". You cut it close, but the Lord heard your prayers and mine, and has given you the best Christmas Gift ever....The one you've been wanting for a very long time. I'm overjoyed for you sweetie and I extend my sorrow for your children's loss, and all of ours, until we meet again.....Merry, Merry Christmas and God bless us, everyone. Your lifelong friend, J. L. Freeman (you've known me all my life....and even was one of my primary teachers, when we use to so proudly parade around the block celebrating Pioneers Day, so the neighbors could see how proud we were to be Members of the Church of Jesus Christ of Latter-Day Saints. They witnessed our building that Larned Branch Chapel up on the hill with our own hands, old and young. All those great Saints I am confident were at the welcoming party when you were brought through the veil, and they and you celebrated your coming home. Those were great days, we all were great Latter-Day Saints, and now, How great it is that you are once more.....in Wendell's loving arms, never to be separated again.) With all my joy and love, Jack

“ I helped care for Virginia at Stonehenge. She is precious! I loved to look through her picture book with her and point out pictures and show them to her. About 2 weeks before she passed I remember holding up a picture of her husband in front of her I said "Look at those beautiful eyes!" She smiled. Then I said "Do u miss him Virginia?" And she smiled and nodded her head. I am so grateful for the nine months that I was able to work with her. RIP Virginia.

“ I remember my grandma being at EVERYTHING when I was younger! From camping to Florida to just every little and big event! She was always there. She watched me while my mom worked and ran me to all my friends and out to lunch or the mall. She was ALWAYS there. She was a safe spot many times for me. In fact, lots of my close friends and previous co-workers would totally remember her too.

My girl's memories of their great grandma will be taking her for walks in the care center, racing her in wheelchairs, taking grandma on "speed 6" down hills in the care center parking lot (I can admit that now because she survived it and squealed for joy every time, lol), helping her eat and drink as she got weaker, asking for grandma to hold them even when grandma could not really hold them anymore, trying to get grandma to laugh when she wasn't laughing as much anymore and watching her tear up as we left asking us to visit again soon. Their memories will be precious. I'm glad they had a special relationship with her by spending time with her in the ways they were able. They loved her so much and asked to visit her as much as we were able. I'm going to miss her.

I'm so happy she is with my Grandpa again, though. Man, he sure loved her! He never did like to be away from her and she wanted to be back with him so badly. It is very bittersweet.
